

PONY CLUB
NEW SOUTH WALES

Strategic Plan 2022-2024

Our vision is for a life with horses to start here, and be the equestrian organisation of choice in NSW through Education, Enjoyment.

We will achieve this by:

Organisational Governance

- Raise the standards of governance across the organisation to unify and strengthen pony club to align with best practice
- Develop, review and implement policies and procedures.
- Best Practice for working with Children legislation
- Compliance with Work, Health and Safety.

Increased Participation

- Connect with members, stakeholders and Community to increase the profile and recognition of pony club
- Develop resources to assist clubs in creating and maintaining a successful and sustainable club structure
- Develop campaigns and best practice to promote a positive culture
- Networking of clubs, zones and state bodies

Education and Development

- Deliver best practice and innovative programs for riders
- coaches, officials and volunteers by means of regular communication and identify and promote the role and purpose of clubs, zones and areas.
- Build and support the capacity and capability of volunteers

Welfare and Safety

- Offer a safe environment for both horses and riders to participate in pony club activities and events.
- Horse Welfare/Certificate framework.
- Education and Training for Safety Officers
- Horsemanship Certificate for Riders and Parents.
